Purchase Policy: Currently Limoges Antiques Shop does not take credit cards (hopefully soon!), so until that time we offer a very liberal layaway policy. All pieces may be placed on an extended layaway that meets your personal budget.

For a \$100.00 non-refundable/non-transferrable deposit you can purchase all items less than \$500.00. For a \$200.00 non-refundable/non-transferrable deposit you can purchase all items over \$500.00 and less than \$1,000.00. Pieces over \$1,000.00 to \$5,000.00 (those "have to have" pieces), can be yours for a non-refundable and non-transferrable deposit of \$500.00 and you can have up to twelve months to pay for your lovely piece of Limoges porcelain. Please feel free to contact Limoges Antiques Shop about a payment plan that meets your personal budget and still allows you to own any (and every) piece of Limoges that you love.

Note: All Vermont residents are subject to a 6% VT sales tax - unless you forward an original signed copy of your tax exempt form.
Also, we pack for survival arrival and charge only actual shipping and insurance fee. Come join the thousands of happy clients who love Limoges Antiques Shop!

Note: All sales final. We deal in quality porcelain and all pieces will be fully insured prior to shipment. Once we pack and ship your piece you will receive a letter with your receipt, and postal insurance receipts. These documents are for your use in the event that your piece would happen to arrive damaged through the USPS. We pack for "survival arrival" - but in the event of an unfortunate accident it is the purchasers responsibility to go through the insurance process.
